

PŠENICE OZIMÁ
GENIUS
(E)

A photograph of a winter wheat field. The wheat is planted in straight, parallel rows, with brown soil visible between the green plants. In the foreground, a wooden marker is placed in the ground. The marker consists of a vertical wooden post with a small white rectangular sign attached to it. The sign has black text that reads 'PŠENICE OZIMÁ' and 'GENIUS'. The number '8' is also visible on the post. The background shows a line of trees and a distant horizon under a grey, overcast sky.
